SWIS 4.3 Compatibility Checklist

July 6, 2009

Anne W. Todd

Intended Audience

The Compatibility Checklist is used primarily by SWIS™ Facilitators to support school teams as they design a system for documenting and monitoring office discipline referrals that is SWIS™-compatible. School teams can also use the checklist as they prepare a coherent system for dealing with problem behavior in their school and for the use of SWIS™.

Description

The Compatibility Checklist is an available tool for ensuring that all necessary categories are being documented on a referral form.
