PBIS Systems Implementation Logic

Guiding Questions

- What are the coordination and coaching structures in place?
- How do we create process/structure that will increase the success of initial start-up?
- What are the critical features that need to be in place before team training?
- How will the teams access support and technical assistance?
- How will teams share/network /have access to reinforcement?
- How will your district build training capacity?
- How will your team meet the new demands each year?

Illinois Highlights

State Leadership Team: Energy Magnified (Getting the right voices onboard)

- Regional Superintendent
- Assistant Regional Superintendent
- School District Superintendent
- University Affiliated Research Director
- Project Coordinators for related state funded school improvement initiatives
- Special Education Director
- Juvenile Justice Coordinator
- Professor Special Education
- Research Consultant
- Assistant Professor School of Journalism
- State Representative
- Associate Professor
- Dean-Dept. of Education

State Leadership Team

Visibility:

A group of journalism students from Southern Illinois University in Carbondale are developing a four-stage marketing/advertising plan targeting key PBIS stakeholders to generate more awareness for the initiative.

State Leadership Team

Political Support:

PBIS was part of the Illinois Children's Mental Health Partnership (ICMHP) state budget request for FY' 07. And as a result, PBIS was part of an advocacy hearing in front of the Illinois General Assembly's Elementary/ Secondary Education Appropriations Committee on February 27, 2006 in Springfield.

State Leadership Team

Funding:

As the PBIS initiative prepares for a large-scale expansion, we are in progress on a framework to identify and secure a broad base of funding support to ensure the infrastructure required to maintain the consistency and quality of technical assistance and evaluation support to districts.

State Leadership Team

Demonstration Sites:

We continue the development of benchmarks of sustainability for PBIS in schools as Active, Developing, Exemplar and Self-Sustaining. We are also developing a checklist to be used by school districts to monitor on-going initiative compliance.

How We Build Local Capacity: Develop Coaching Capacity

- Coaches are school personnel who have:
 - Fluency with systems & practices
 - Capacity to delivery high level technical assistance
 - Capacity to sustain teams in efforts to implement systems & practices

- “Positive” Nag

Why Redefine Staff Roles to Coach?

□ Sustainability & Accountability

- Hands-on technical assistance
- Guide problem solving
- Local training
- Team start-up & sustainability
- Public relations/communications
- Support local leadership
- Local coordination of resources
- Provide prompts & reinforcers

Examples of Coaches Roles

SYSTEM

- Prepare teams for training
- Support team leaders over time
- Assist with faculty buy-in
- Support ongoing team meeting
 - Structure/agenda/next steps

DATA

- Assist with data analysis and use of data
- Collection strategies and priorities/focus for analysis
- Revise current strategies
- Decision-making strategies

PRACTICES

- Support use of effective practices
- Leadership on targeted and intensive (wraparound)
- Develop behavioral, wraparound skills

Coaches Series

- ❑ Topic 1: School-Wide Team Leadership - Getting the Year Off to a Great Start
- ❑ Topic 2: Data-Based Decision-Making
- ❑ Topic 3: Classroom and Non-Classroom Management
- ❑ Topic 4: Effective Instructional Approaches for Diverse Learners
- ❑ Topic 5: Using the Team Checklist to Stay on Track with Universal PBIS Implementation
- ❑ Topic 6: Building the Framework for Academic Support
- ❑ Topic 7: Targeted Level Process and Practices

Targeted Level Trainer of Trainer Series – 4 days

Trainer of Trainers is designed to provide leadership and guidance to school/agency/family teams in order to increase the effectiveness and implementation of FBA/BIP in Illinois schools.

- Participants will create and review one, two and three day training formats for FBA/BIP.
- **Targeted TOT – 40 participants cumulative from 6/1/05 through 12/31/05.**

Trainer of Trainer Series

INTENSIVE LEVEL – 6 DAYS

- **GOAL:** Develop capacity of participants to provide training and technical assistance to PBIS schools at the Intensive Level PBIS via the curriculum: *Integrating Wraparound Approaches in PBIS Schools: Comprehensive Supports for Students with Intensive Emotional/Behavioral Needs and their Families and Teachers.*

WORKSHOP CONTENT

- Included are strategies for introducing wraparound to PBIS schools, how to integrate it with PBIS implementation in schools, and activities for teaching school staff how to gain confidence and expertise in implementing wraparound including the use of data-based decision-making with youth/family teams.
- TOT participants will learn/design training mechanisms, schedules, and practice activities. Participants will collectively set outcomes about numbers of wrap teams/plans and number of school staff implementing during a school year and develop plans to meet outcomes.
- **Wrap TOT – 37 participants cumulative from 8/30/05 ending 12/31/05.**
