

Viking Card

Viking Cards are awarded to students who have supported the Viking Code of Respect, Responsibility, and Readiness through their consistent attendance, punctuality, academic progress, and positive interactions with peers, teachers, and staff. *Students who have at least a C average (with no Ds or Es), 94% attendance, **and** no serious behavior issues in a given semester are awarded a Viking Card which gives them privileges and opportunities during the **next semester**. These privileges and opportunities include drawings and special events. However, Viking Card privileges can be removed.

* The criteria are subject to change as we fully incorporate the Viking Card into PBIS. Only students in grades 10, 11, and 12 are eligible for the Viking Card.
