Together We Shine!!!

Parents,

At Chatsworth School the students review the Code of Conduct every morning. It is:

I am respectful. I am responsible. I am safe. I am prepared.

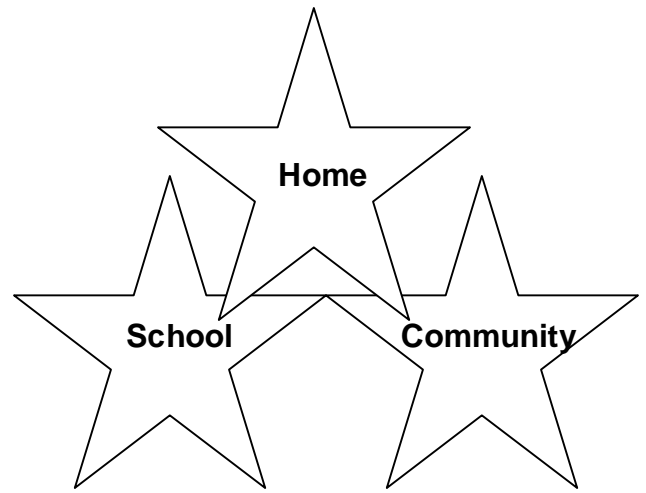

The staff has developed a chart of specific rules to help the students know exactly how they can show respect, responsibility, safety, and preparedness in all settings in our school building. Attached is a copy of the chart which was developed. We have been reviewing this chart since the first day of school.

Every year we ask each parent to sit down with their child and review the chart so that you both can understand the expectations of the staff of Chatsworth School. Attached also is a short quiz we would like for you and your child to compete together. If you have a young child or a child with difficulty with handwriting, the parent may complete the written portions, but please review and do the quiz together. It is meant to be a learning experience for both of you. When your child returns the quiz, there will be a surprise waiting for him or her. **Please keep the Code of Conduct chart for your information at home and return only the quiz.**

If you have any questions, please feel free to contact your child's teacher or Clinical Coordinator (Ms. Colbert, Mr. Yates, or Dr. Parr). Thank you so much for your time and support.

We are looking forward to a very successful year with your child.
